United Kingdom

Extended Country Report 2019

Extended Country Profile Graphics

United Kingdom

POPULATION: 64,715,810
(2015)

GINI INDEX:
33.2
(2015)

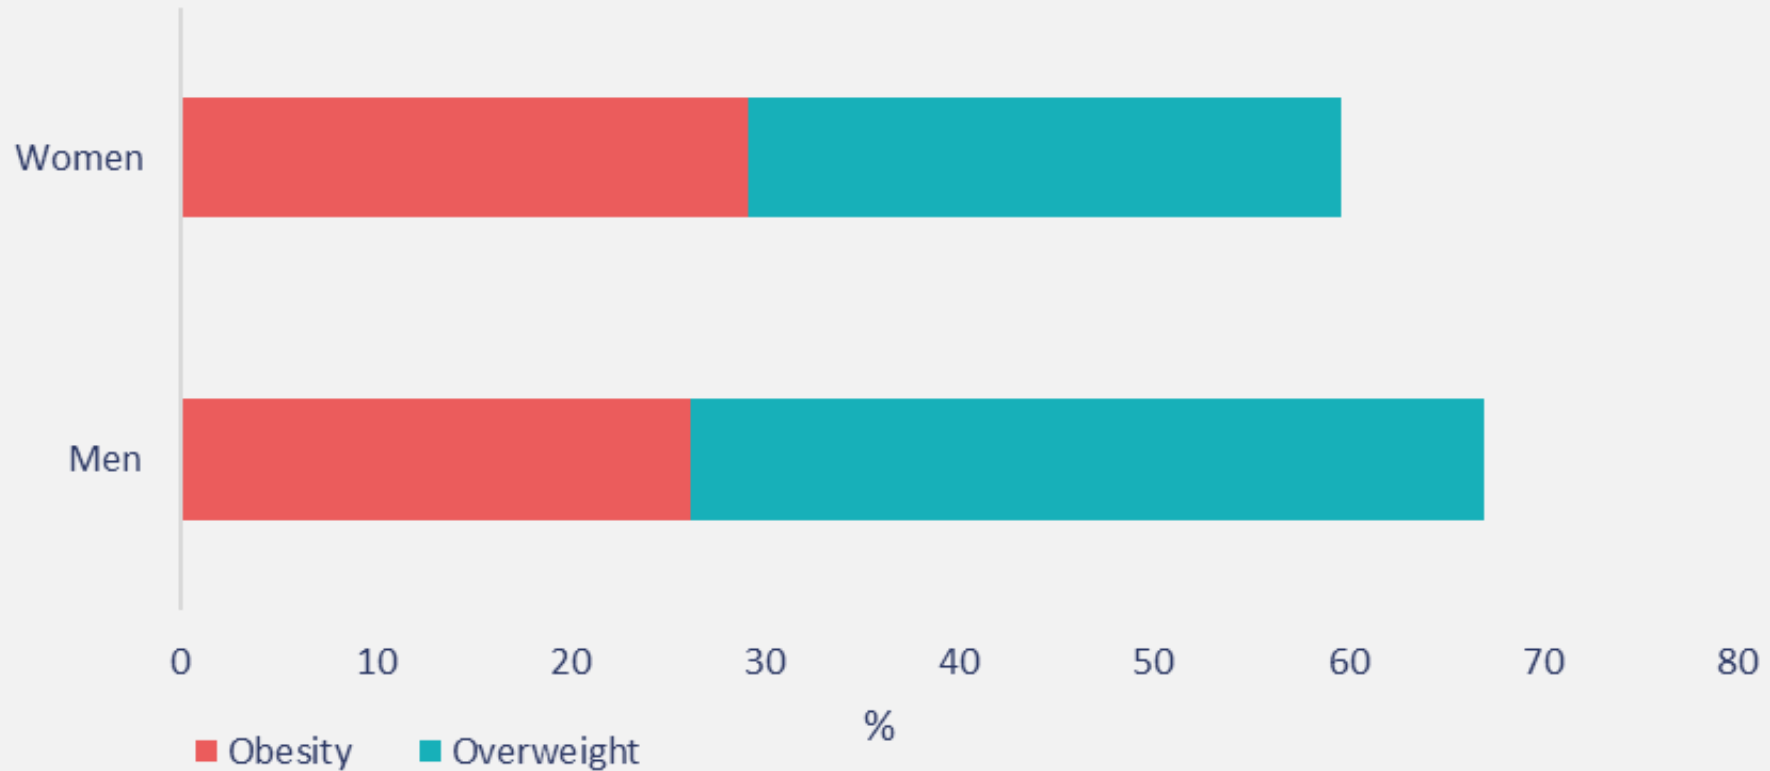

Pages

• General Overweight & Obesity Prevalence (%).....	3-10
• By Age & Income	11-12
• By Age & Education.....	13-14
• Trends in Children 2001-2013/14.....	15-26
• Drivers	
• Adolescent physical inactivity	27-28
• Adult physical inactivity	29-30
• Sugar, Vegetable, Confectionery, Sweet & Savoury, Fruit & Soft drink sales/consumption	31-36
• Impact	
• Diabetes.....	37
• High Cholesterol.....	38
• Raised Blood pressure.....	39-40
• Obesity related cancers.....	41-50
• Policies & Interventions (online).....	51
• View prevalence data (online)	52
• Sources.....	53

United Kingdom

United Kingdom

Sugar Consumption/Sales for individuals living in EU Member Countries

No data available in Cyprus, Luxembourg & Malta

Sugar Consumption/Sales for individuals living in EU Member Countries. Derived from:
Euromonitor International, Nutrition 2016 edition

United Kingdom

Vegetable Consumption/Sales for individuals living in EU Member Countries

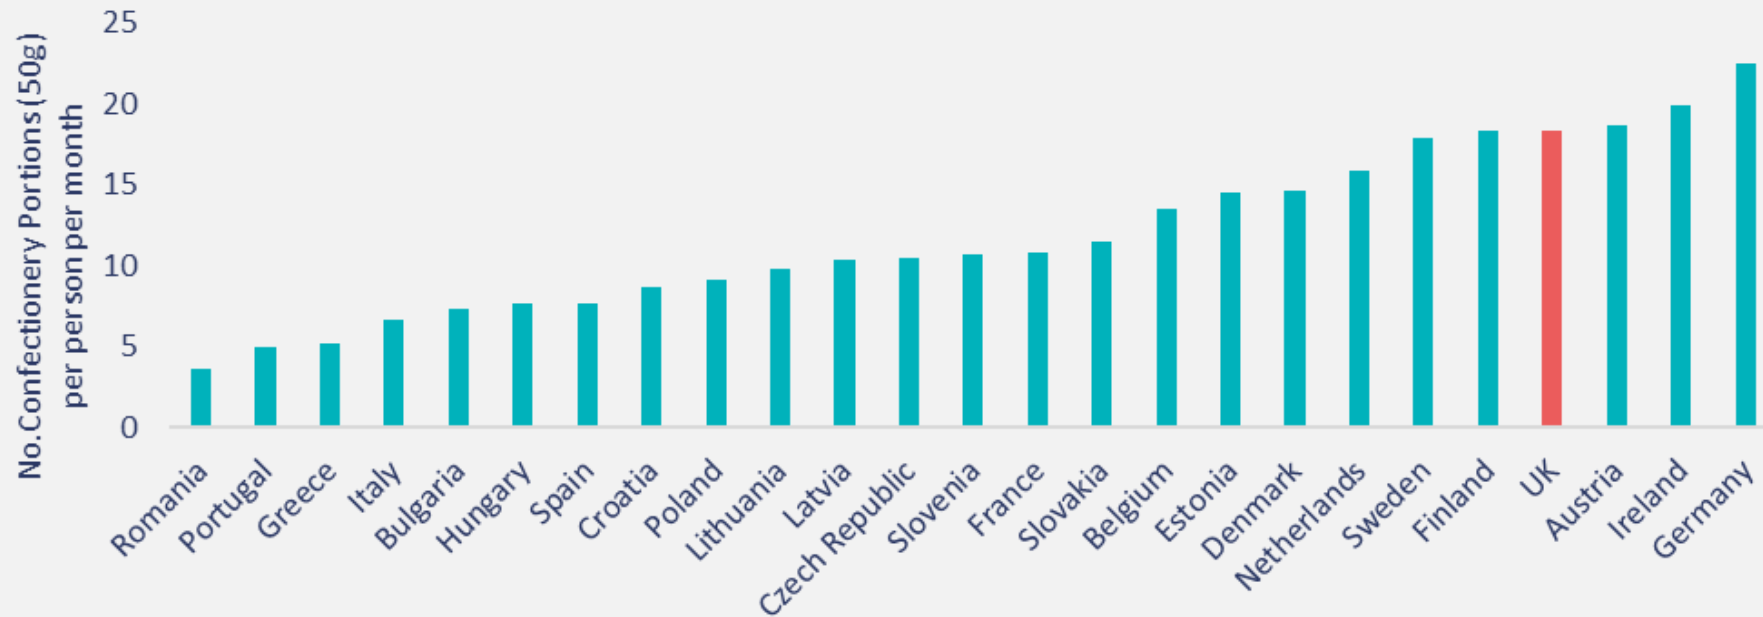

No data available in Cyprus, Luxembourg & Malta
Vegetable Consumption/Sales for individuals living in EU Member Countries
Derived from: Euromonitor International, Fresh Food, 2016 edition

United Kingdom

Confectionery Consumption/Sales for individuals living in EU Member Countries

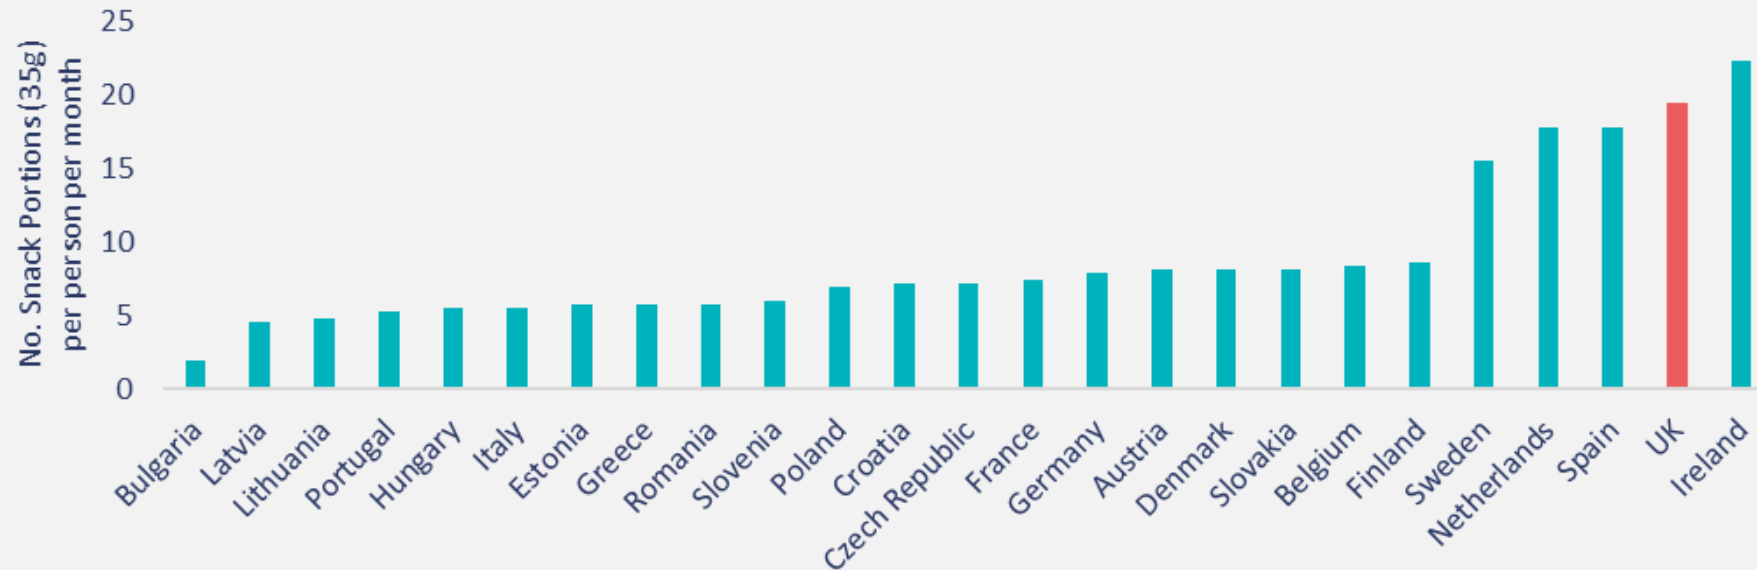

No data available in Cyprus, Luxembourg & Malta
Confectionery Consumption/Sales for individuals living in EU Member Countries
Derived from: Euromonitor International, Packaged Food, 2016 edition

United Kingdom

Sweet & Savoury Snack Consumption/Sales for individuals living in EU Member Countries

No data available in Cyprus, Luxembourg & Malta

Sweet and Savoury Snacks Consumption/Sales for individuals living in EU Member Countries

Derived from: Euromonitor International, Packaged Food, 2016 edition

United Kingdom

Fruit Consumption/Sales for individuals living in EU Member Countries

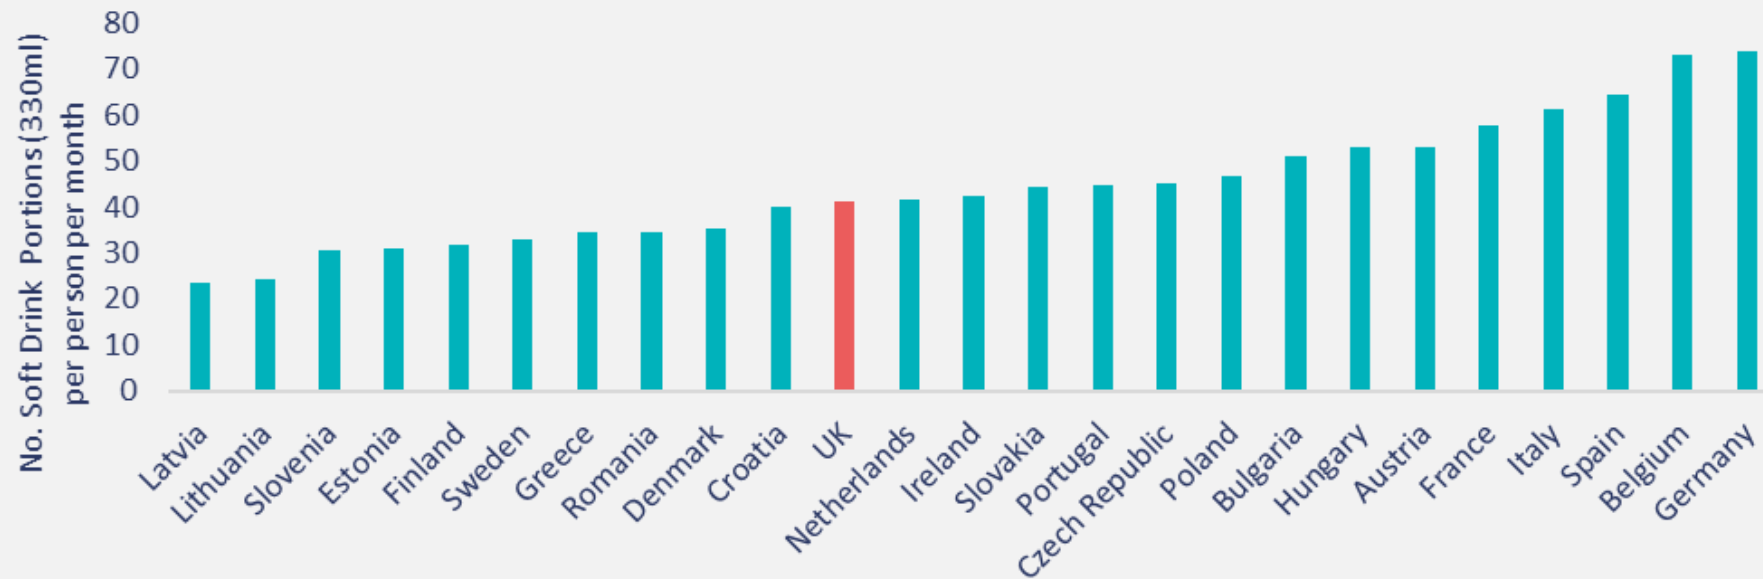

No data available in Cyprus, Luxembourg & Malta
Fruit Consumption/Sales for individuals living in EU Member Countries
Derived from: Euromonitor International, Fresh Food, 2016 edition

United Kingdom

Soft Drink Consumption/Sales for individuals living in EU Member Countries

No data available in Cyprus, Luxembourg & Malta
Soft Drink Consumption/Sales for individuals living in EU Member Countries
Derived from: Euromonitor International, Soft Drinks, 2016 edition

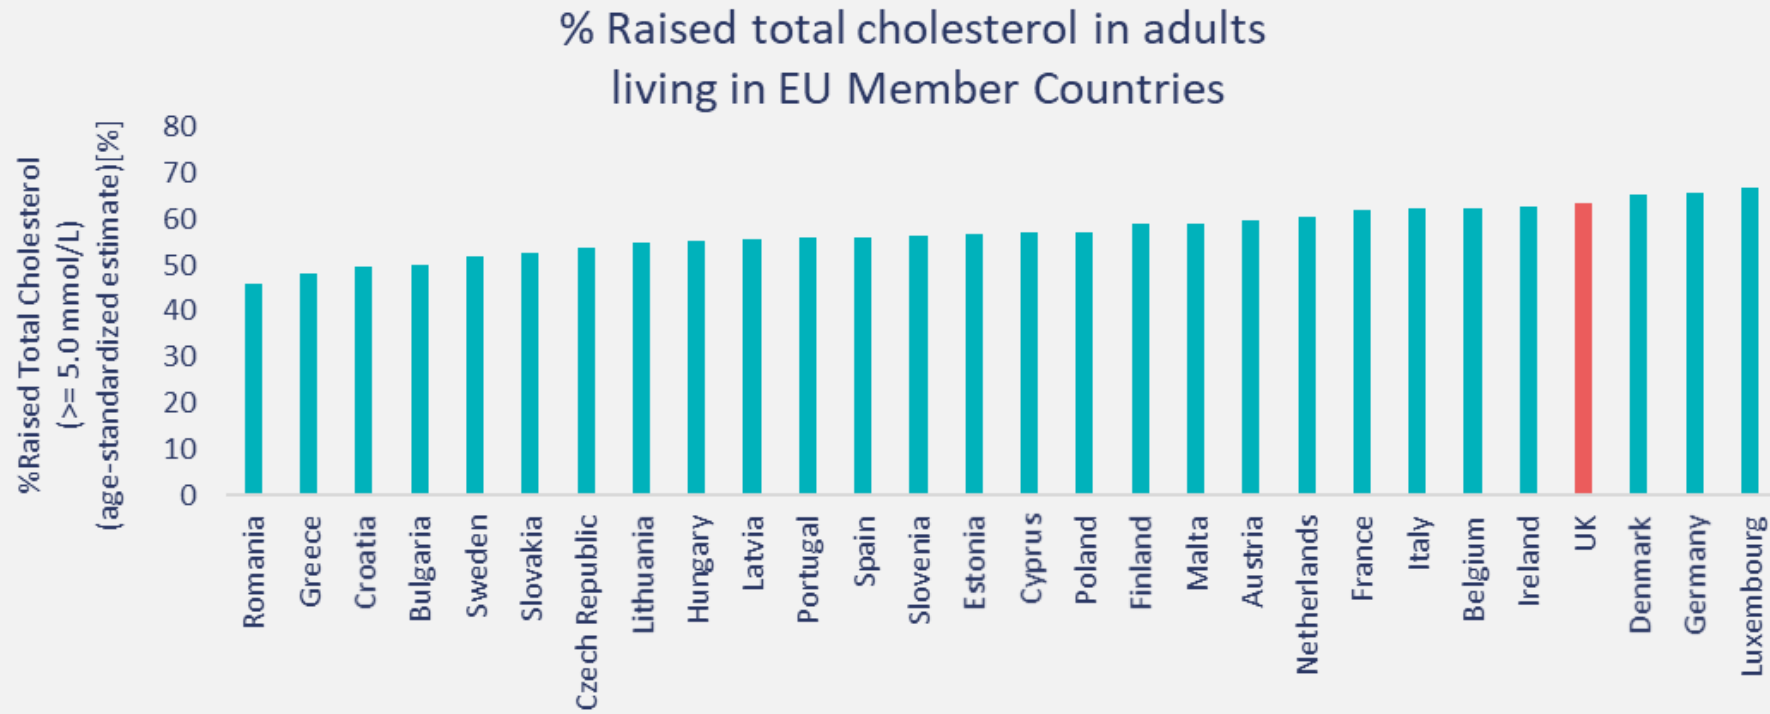

United Kingdom

Diabetes age-adjusted comparative prevalence [%] in adults living in EU Member Countries (2017)

United Kingdom

United Kingdom

% Raised blood pressure in males living in EU Member Countries (2015)

United Kingdom

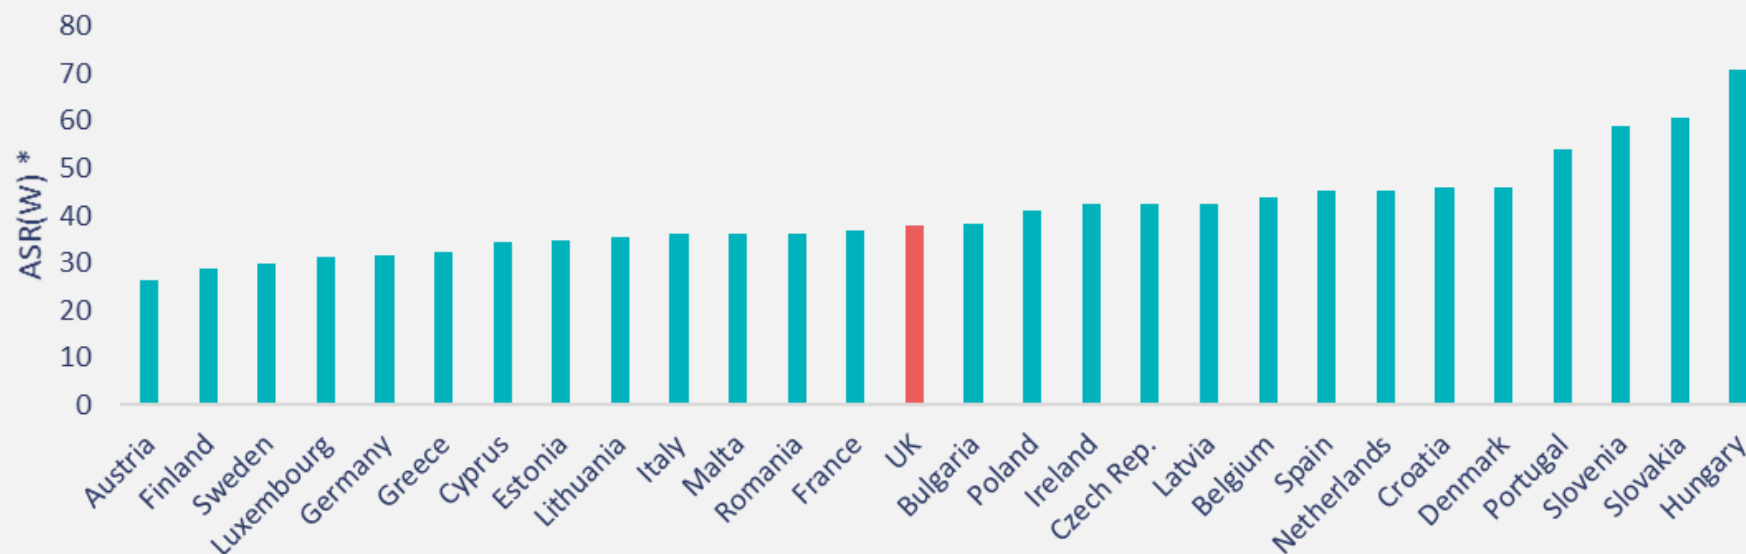

% Raised blood pressure in females living in EU Member Countries (2015)

United Kingdom

Colorectal Cancer incidence in males living in EU Member Countries

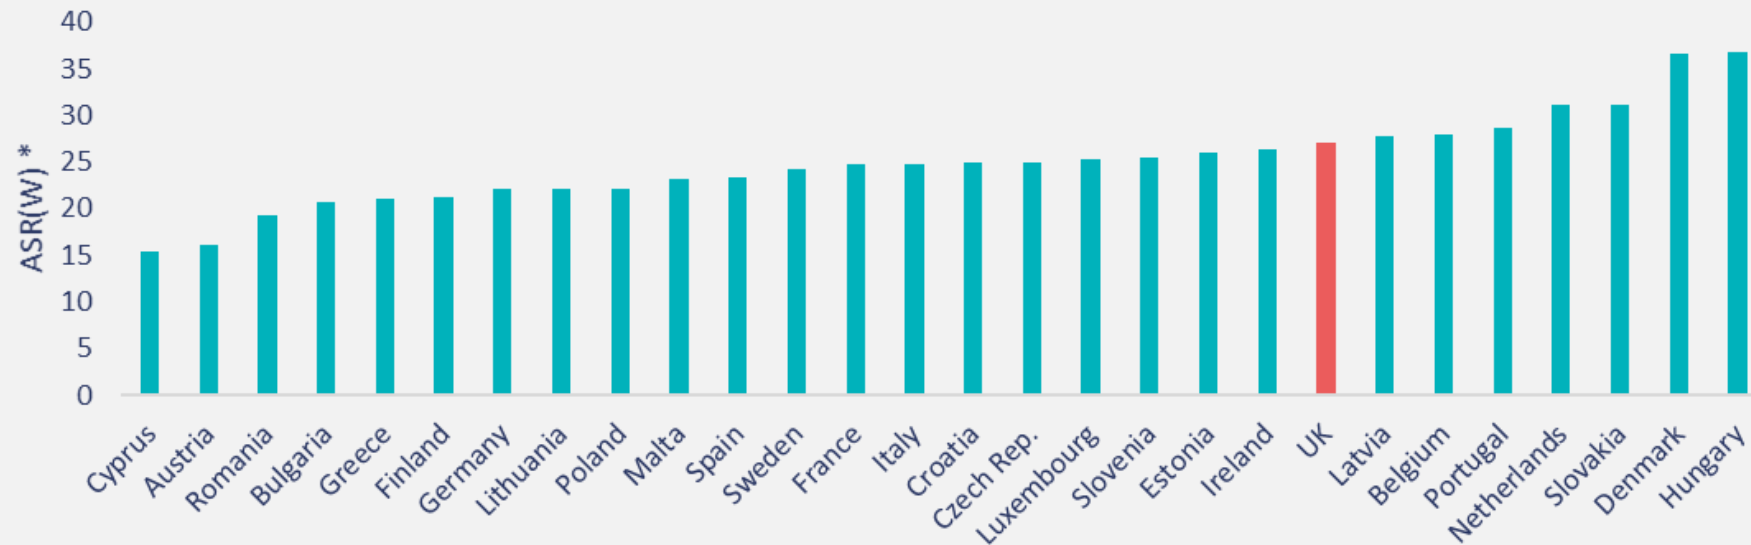

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

Colorectal Cancer incidence in females living in EU Member Countries

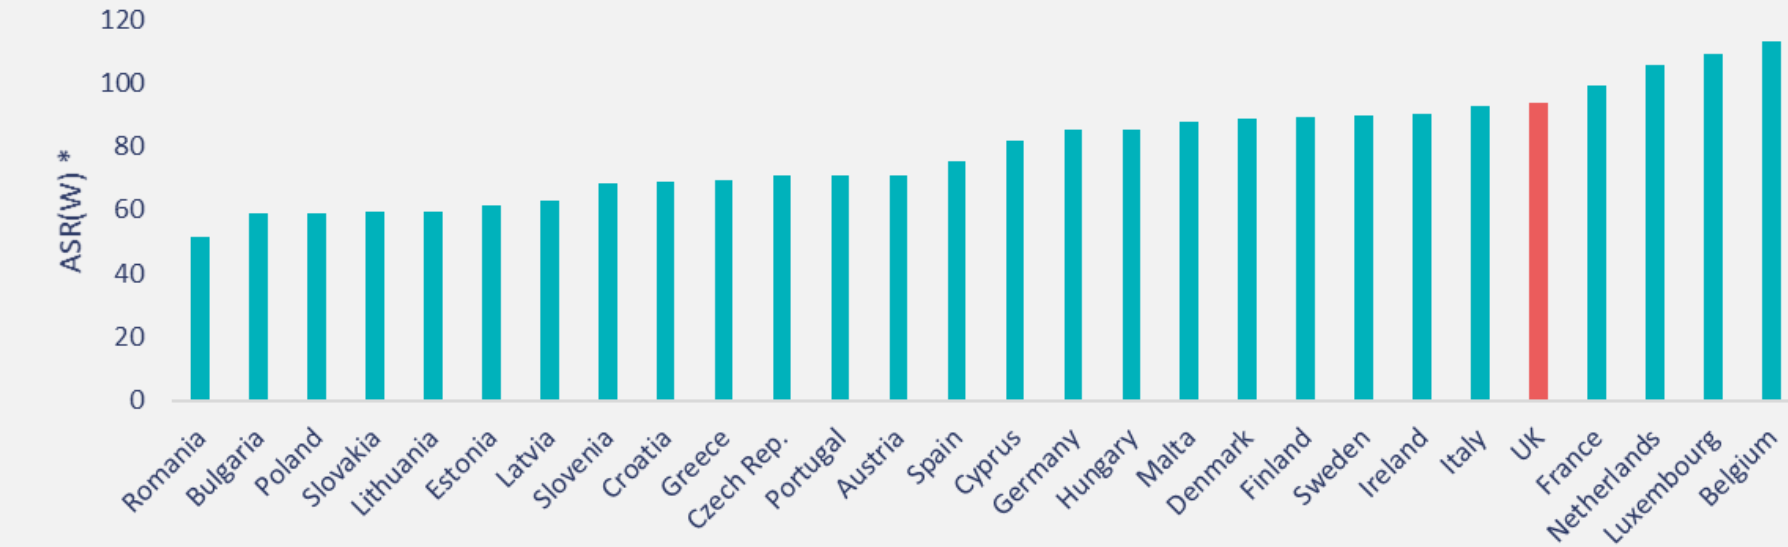

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

Breast Cancer incidence in females living in EU Member Countries

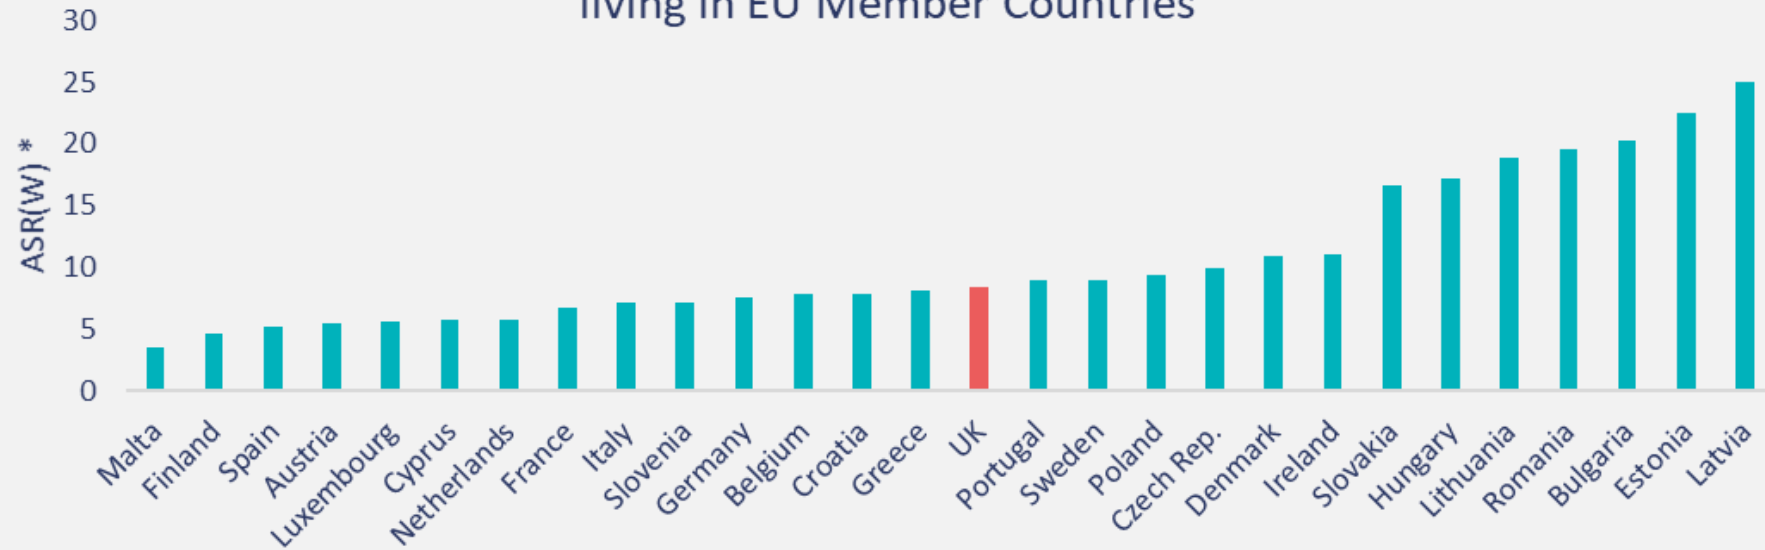

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

Cancer of the Cervix Uteri incidence in females living in EU Member Countries

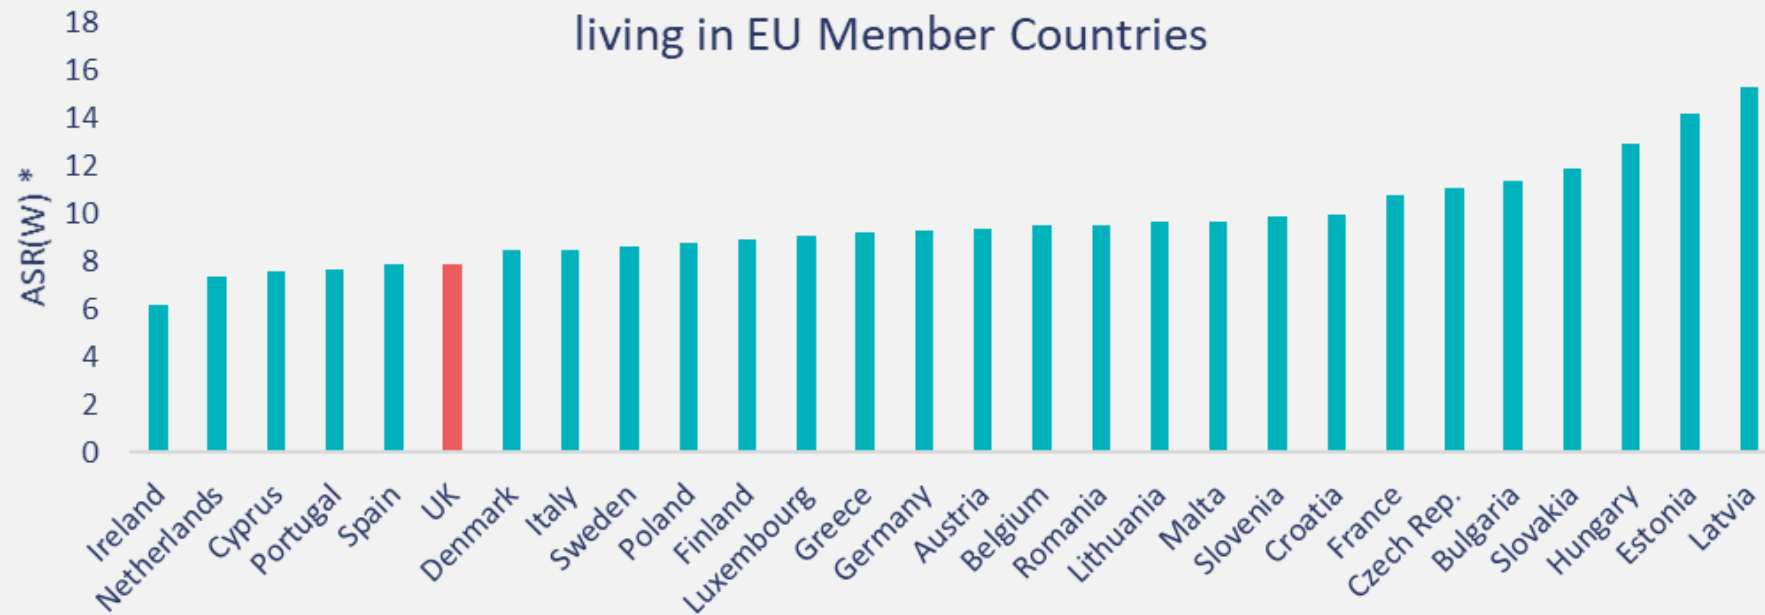

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

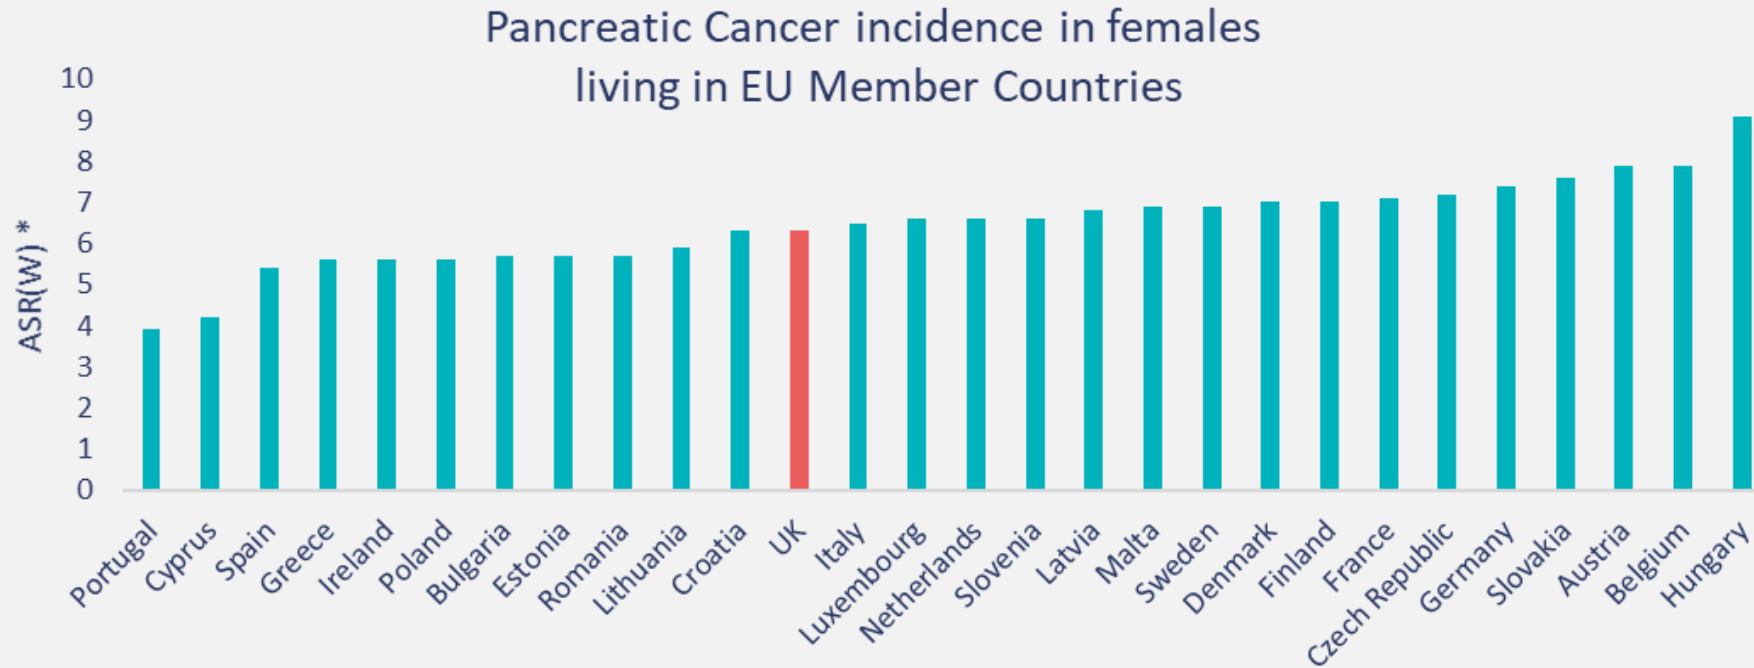

Pancreatic Cancer incidence in males living in EU Member Countries

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

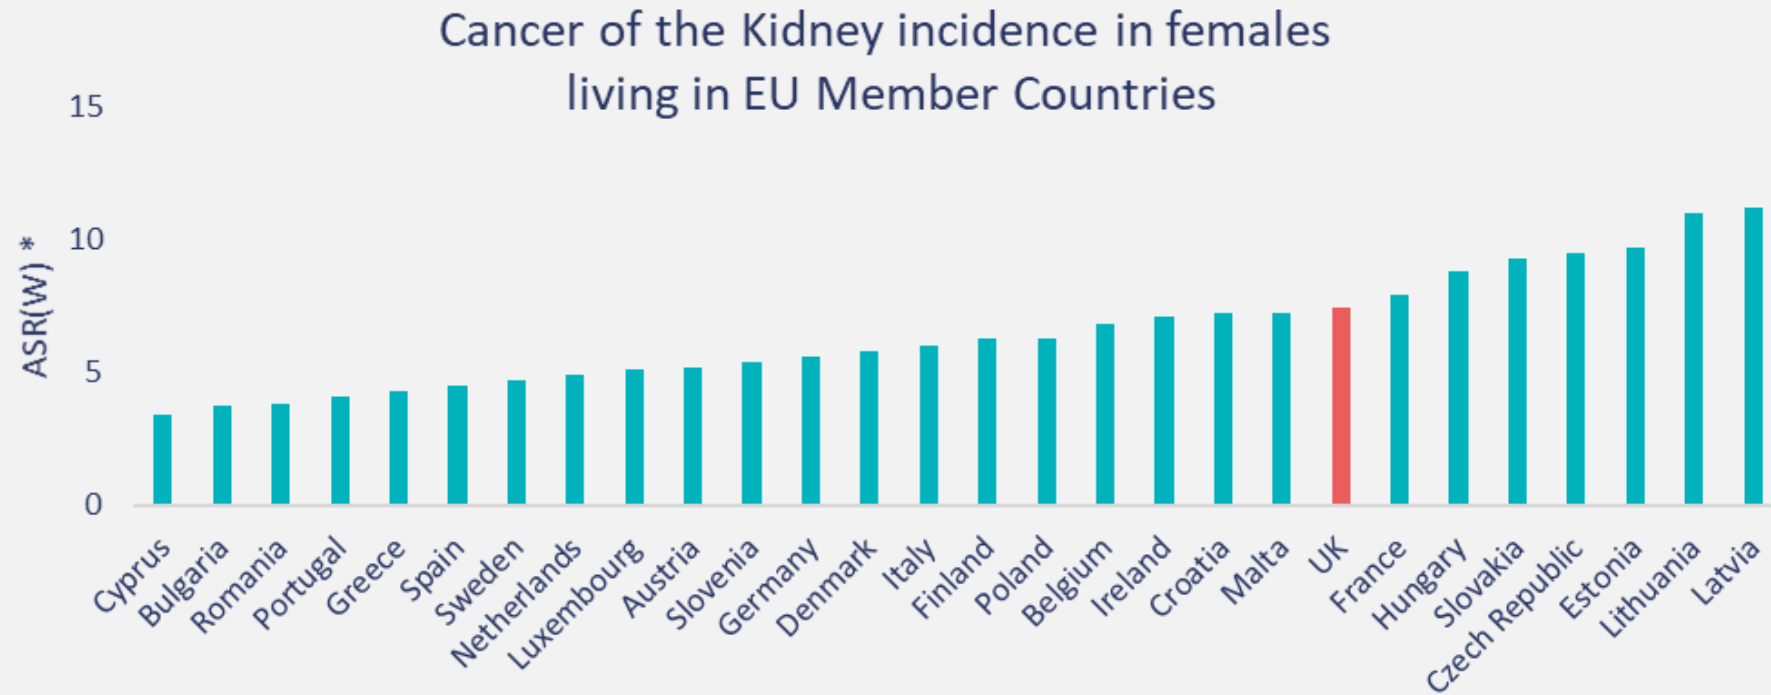

Cancer of the Kidney incidence in males living in EU Member Countries

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

United Kingdom

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000

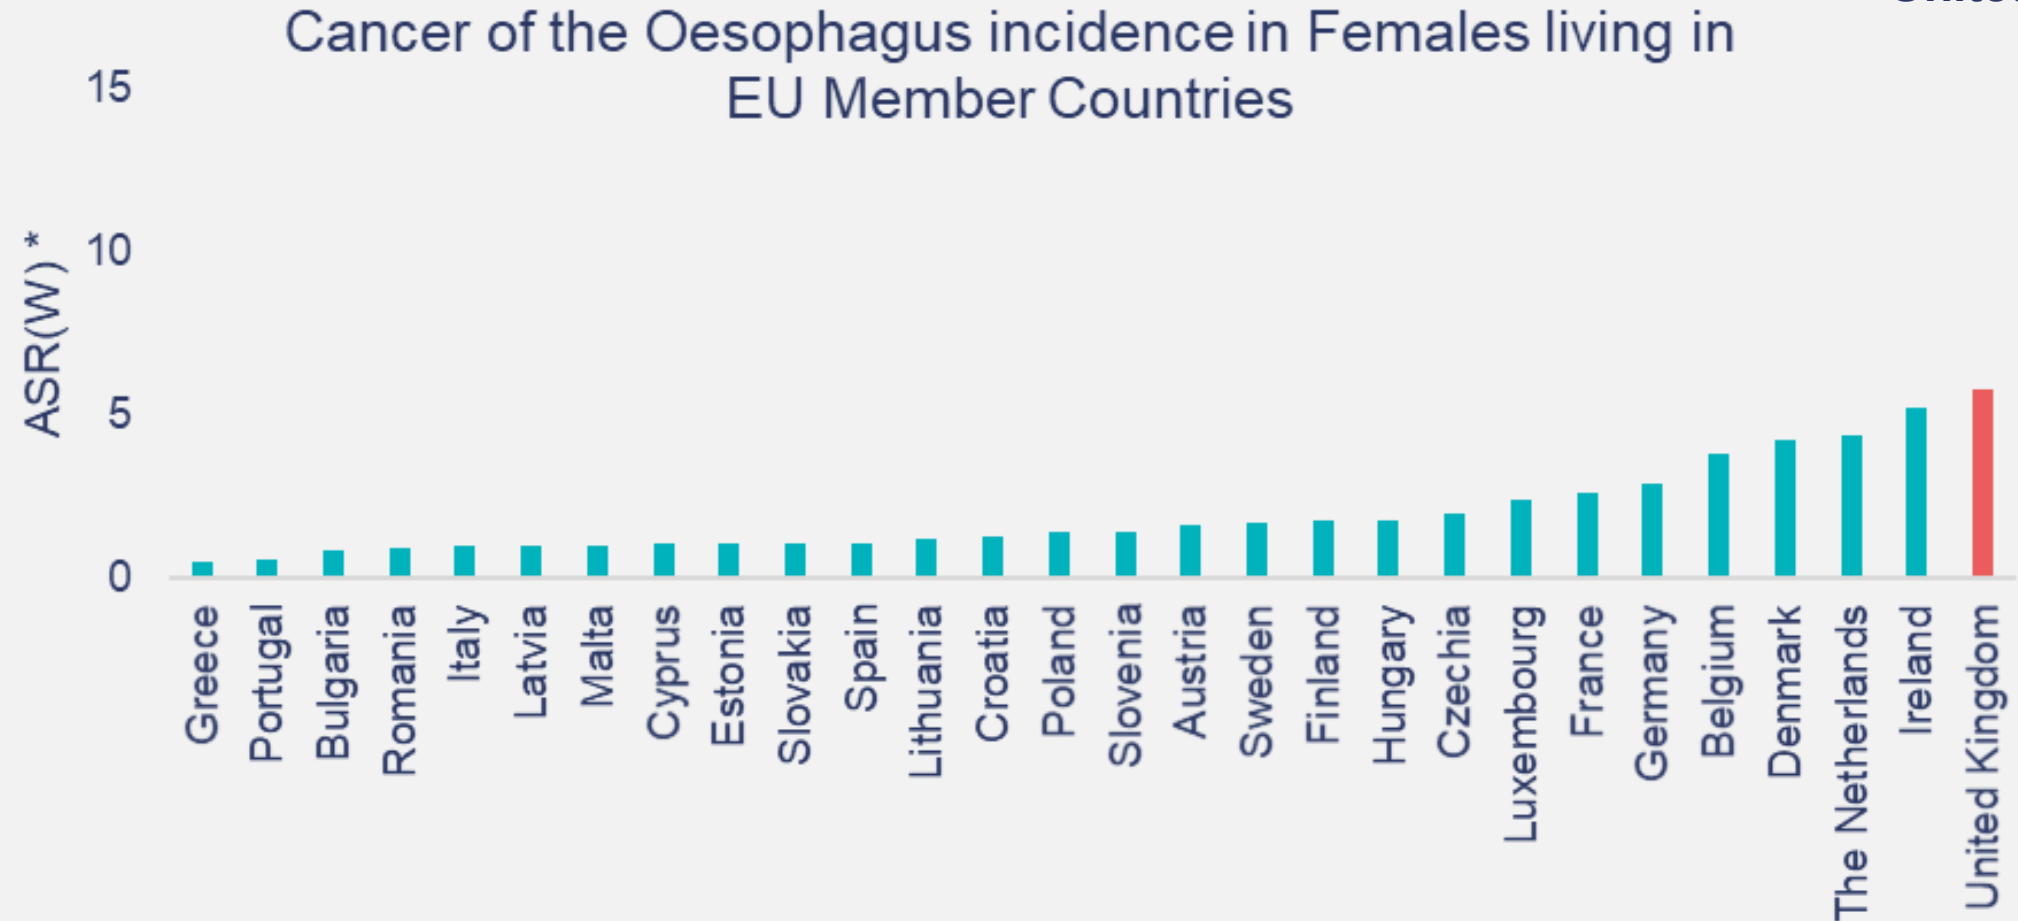

United Kingdom

Cancer of the Oesophagus incidence in males living in EU Member Countries

United Kingdom

*ASR(W) Age Standardised Rate (to World Standard Population) expressed per 100,000
